2017 Physician’s Case Review
“I can’t see!” Approach to managing patients with acute visual disturbance.

Tuesday, June 6, 2017
Noon–1 p.m.
Bryan East Campus, Classroom 1
*Pre-registration required to receive lunch*

**Audience**
These programs are designed for primary care physicians and advanced practice providers with the goal of improving clinical problem solving skills and developing treatment plans for challenging patient cases.

**Program Purpose**
These one hour, interactive sessions, provide physicians, residents, and advanced practice providers with the opportunity to discuss current issues in primary care medicine utilizing case reviews.

**Program Objectives**
- Understand the visual circuit as it relates to pathology
- Distinguish Ocular vs. Non-ocular causes of vision loss.
- Develop a step-wise approach to diagnosing and working up acute monocular or binocular vision loss.

**Continuing Education Credit**
Physicians: Bryan Health is accredited by the Nebraska Medical Association to provide continuing medical education for physicians.

“Bryan Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.”

**Disclosure Information**
In accordance with the ACCME, Bryan Health requires that any person who is in a position to control the content of an activity must disclose all relevant financial relationships they have with a commercial interest. Speakers and Planners have no financial interest or relationship to disclose.

**Participant Responsibilities**
Participants who sign in as specified at the educational activity, remain throughout the program, complete an evaluation, and are present at the end of the activity will receive continuing medical education credit.

**Registration Information**
Lunch will be served at the program. Pre-registration required to receive lunch. Walk-ins welcome for programming only. This program is provided free of charge by Bryan Medical Center.
