

CORPORATE PARTNER WORKSHEET

Attn: Bryan Health Diabetes Center
Bryan LifePointe
7501 South 27th Street
Lincoln, Nebraska 68512

Description of Services Provided:

The Heartland Health Alliance Diabetes Initiative allows members to be an accredited diabetes education program through the American Diabetes Association (ADA) because of their affiliation with Bryan Health and the initiative. The mission of hospitals within the initiative is to provide quality diabetes self management education to individuals in our region through collaboration with physicians and communities. Bryan Health has designated a coordinator to oversee the planning, implementation and evaluation of diabetes self management education throughout the Heartland Health Alliance.

Contact Information

Name: Jen Anderson, Diabetes Initiative Program Coordinator
Phone Number: (402) 481-6334
FAX Number: (402) 481-6301

Discount and/or Value Added Services for Heartland Health Alliance Members:

- Members of the Diabetes Initiative pay the Bryan Health Diabetes Center an annual fee for involvement and resources. The Bryan Health Diabetes Center provides the following to all members:
- Software support for the Diabetes Management Software System (ADA Chronicle Diabetes), which is the only approved documentation system for statistics.
- Patient educational materials that have been developed by Bryan Health Diabetes Center staff are made available to all Diabetes Initiative sites
- A Diabetes Symposium is held annually and CEU's are provided to all attendees
- All CEU requirements are tracked and submitted to the ADA by the program coordinator
- Keep members of the initiative updated on the standards of care for diabetes self management
- Bryan Health Diabetes Center staff provide consultation regarding complex patients to HHA Diabetes Initiative members
- Ongoing program site supervision by Program Coordinator
- Program coordinator assembles and submits program reports annually as required by the ADA
- Program coordinator submits the application and program summary for ADA re-certification every 4 years
